

Worldwide activities

Cefira is reinforcing its international presence

CEFIRA, well-known in France, Switzerland and Belgium, has also been working internationally. We have already delivered training courses in English and performed audits in Asia, Europe, and North Africa.

CEFIRA WANTS TO GET MORE INVOLVED WORLDWIDE AND OFFERS YOU A BROAD RANGE OF SERVICES IN ENGLISH

ONSITE TRAINING COURSES IN ENGLISH

You can find the list of training courses on [page 43](#) and look for the flag on the course descriptions. If you only want to focus on a specific part of a program, we propose short training sessions in the form of webinars.

CEFIRA, YOUR THIRD-PARTY AUDIT PARTNER

If you want to outsource your audits, whether for pre-selection audits, routine review audits, troubleshooting audits, or internal audits, CEFIRA provides a wide range of GxP and quality system audits of pharmaceutical activities.

CEFIRA SUPPORTS YOU IN YOUR INTERNATIONAL PROJECTS

CEFIRA provides customized services to help you develop, implement, maintain, or improve your activities, systems, and processes.
